

Case Studies – Investment Transaction

J&T IIG

The Challenge

J&T and IIG instructed CBRE to find a strategic investor to purchase significant parts of J&T IIG's portfolio in CEE.

The Solution

CBRE ran an international tender with selected potential investors and achieved very aggressive offers from a range of international real estate funds. The transaction was closed in late December 2005. The aggregate volume of the transaction amounted to EUR mln. 250.
